Westview band takes in sights of New York City

Bill Waicus, a Grade 11 student at Westview Centennial secondary school, Oakdale Rd., in North York, and Weston Times correspondent, reports that over 40 students returned from a recent trip to Hamilton, Ont. and New York City that included concerts, sight-seeing and shopping.

The purpose of the visits, however, was to entertain as well as be entertained.

The students, ranging in age from 15 to 18 years, from Grades 10 through 13, were invited to play for Ancaster high school near Burlington; the Cathedral girls' band in Hamilton and Harbor Hill elementary school outside New York City.

Before the musical journey, Westview heard the Hamilton band who gave a stirring concert under W.B. Santor's direction.

At Ancaster the two high school bands represented a joint concert and provided for music for a dance later in the evening.

Michael Crosbie, Westview's band and music director, arranged the concert "bookings". The students themselves requested teachers Mr. and Mrs. Donald Morrison to be

chaperones for the duration of the trip.

Highlights of their New York stay were the Empire State building, Radio City music hall, Lincoln Centre, United Nations where they met a member of the Canadian delegation, a boat tour around the city and shopping at Macy's department store.

Student tours granted \$4,000 by North York

North York Board of Control approved yesterday grants of \$2,000 each for two school tours of Japan and Europe this summer.

Grants of \$5,400 were also awarded to other borough organizations.

The Cummer Valley Concert Band is taking 82 students from 12 borough schools to Expo 70 on June 28. It had previously been short \$17,000 to meet travel costs.

Westview Centennial Secondary School is sending its band to play at Scotland's Edinburgh Festival while the school's soccer team—Ontario high school

champions—plays matches in Britain and Italy. Organizers have been attempting to raise the additional \$12,000 to meet expenses.

Other grants approved were: School Patrollers Jamboree trip to Ottawa, \$2,000; North York Aquatic Club, \$2,000; North York Amateur Softball Association, \$400; Canadian Council of Christians and Jews, \$200; Avenue Road Senior Citizens Day Care Centre, Society, \$100, and the North Athletic Association, \$100; North York Horticultural Society, \$100 and the North York Great Wons, a soccer club, \$100.

265 N.Y. string players merge

Westview was the scene last week of the successful "orchestra teach-in".

Two hundred and sixty-five string players, from 10 senior and junior high schools in the area, converged on the school Thursday afternoon to begin a day of section rehearsals and group instruction.

The conductor of the teach-in orchestra this year was James Coles, a consultant to the Ontario department of education. Also invited was Professor Timothy McGee from Xavier University, N.S., who, besides being the guest speaker and soloist at the chamber music seminar Wednesday evening, was the guest-conductor.

Michael Crosbie, musical director here at Westview, initiated the idea of musical teach-ins last year and surpassed it with this year's, the school's second.

Rumour has it that a tour of Nova Scotia for the school orchestra, is being planned for Easter.

The Westview Wildcats defeated Northview by a 45-20 score in a dual

wrestling match last Thursday. Team members appreciated the students who turned out to support them.
